

Friends of Marshalltown Public Library contribute to the library by providing funding for new materials for the public to check out, funding programming for youth through adults, and running the Annual Book Sale. Anyone can become a Friend of the Library at any time during the year.

YOUR FRIENDS OF THE LIBRARY MEMBERSHIP GIFT:

- Helps maintain and expand the services the library offers to children, teens, and adults.
- Purchases resources like books, digital media, and more.
- Funds community spaces and activities for everyone to enjoy.
- Nurtures the curiosity and learning potential of Marshalltown youth.
- Fosters lifelong learning and brings the community together.
- As a member, you will also have early access to our annual Friends of the Library book sale!

Supporting the library is a great way to give back. A strong library is the heart of a strong community!

With the help of our Friends, our children, teens, and adults have access to an award-winning library. It is a place to meet, learn, and grow!

You may know that the library has a wide selection of books and media for the community, but you may not know that we provide additional services to help ensure the free access of information for all. The library is a great place to access computers, print documents, hold meetings, research genealogy, hold classes and events for teens and children, and much, much, more!

The library is committed to meet the community's need for information on a variety of topics, offer an opportunity for self-directed personal growth, and gain an understanding of the richness of America's diverse cultural heritage. As a Friends member, you help us continue to inspire our friends and neighbors to read, connect, and learn!
